A Care for the Family event. Speakers: Katharine Hill and Philip Jinadu.

In a society that is predominantly digital, our children are growing up with a world of online possibility at their fingertips. It's an exciting world for them to explore, but also a potentially dangerous one. As parents and carers it's natural to want to protect our children from these dangers. So how can we ensure that our kids are safe without preventing them from accessing the many advantages? Tickets £4 from web:

Prayer

Lord we thank you for your creation and for the harvest it provides. Help each one of us steward the earth's resources with diligence and care so that the generations that come after us may have the opportunity to reap the harvest and provide for their needs. Amen.
